ACC-FMCA PRE-RALLY. Prior to the FMCA 102nd International Convention the **American Coach Chapter of FMCA** is returning to Fair Harbor RV Park in Perry Georgia for our pre-rally.

Friday, March 5, 2021 until Monday March 8, 2021. As in the recent past, we will move to the fairgrounds in **GENERAL PARKING** as a group Monday morning March 8, 2021. Our PRE-RALLY will include 3 nights of camping at Fair Harbor RV Park, social events, 3 evening meals and 2 breakfasts. A Ladies lunch is also being planned. Personal and group health and safety measures are being planned for this gathering. The tentative agenda for the rally is at this link: [2021 Perry Pre-Rally Agenda](#), and is also posted under the “Rallies!” tab on our website. You will be notified when online registration is available.

Our chapter annual meeting and election of officers will be held during our pre-rally at Fair Harbor in Perry. All positions are open for election and we are seeking candidates to serve as President, Vice President, Secretary, Treasurer/Membership, National Director, Alternate National Director, Eastern, Central and Western Regional Directors.

Our nominating committee is chaired by Past President Jim Graham, along with Pauline Shea and our Secretary Linda Coleman. Please contact Linda at secretary@acc-fmca.com if you are interested in serving in any of these rewarding positions.

A mentoring or internship type program is also an option to consider that will help introduce members seeking to hold leadership positions. The time and effort spent is minimal compared to the rewards you will experience, sharing with all members, in the success and friendship of this chapter.

Good Health and Happy Travels,

Bruno Borin ACC-FMCA Vice President
