

ACC-FMCA ROLLING RALLY TO TUCSON

Ok, I have finished the itinerary for the rolling rally and if anyone wants to join us either at my first stop or anywhere along the way you are welcome to do this. We will arrive in:

New Orleans on the 11th March 2022 & spend two nights.

Next night will be in Beaumont, TX and spend one night.

Next night will be in San Antonio, TX and spend two nights.

Next night will be in Ft. Stockton, TX and spend one night.

Next night will be in Vado, NM and spend one night.

Next stop will be in Tucson, AZ at the staging rally and spend two nights.

We will not caravan. We will leave each campground at your own pace and meet up again at the next campground for a social hour and/or dinner that evening.

Each stop is less than 300 miles apart and good interstate roads.

I will email all of the details to anyone interested with campgrounds and phone numbers. I will also send the RV Trip Wizard files for anyone that uses this program otherwise it will be on an excel spreadsheet.

Trip will be a total of 9 days and very easy to do. Look forward to this fun trip.
