President's Message

Our American Coach Chapter of FMCA pre-rally in Cecil Bay, Georgia is over and it is the first one Mike and I have missed since I became president in August of 2010.

We planned on leaving California on March 1st but when we went to pick up the coach to start packing for our trip, it wouldn't start! To make a long story short, something—mice?

rabbits? - had chewed through electrical wires and air and water lines. We were grounded for over a month while the repairs were done.

Just be aware that animals can crawl into many areas of the coach and feast away on many delicious parts. The storage place that we use doesn't cover that type of damage and neither did our insurance, so let

ACC Pre-Rally at Seven Feathers RV Resort and Casino

Seven Feathers RV Resort is the destination for the American Coach Chapter of FMCA pre-rally. This resort has it all. In the "Land of Umpqua" the RV Resort is nestled in a canyon of Douglas Fir and Pines where their fragrance lingers long af-

ter quiet hours. The scenery begins as you meander up the road and approach the portico where you will be greeted by the friendly staff.

President's Message, cont.

that be a learning experience for all of us.

A special thank you to Ray and Pauline Shea for hosting the entire rally and heading up the caravan to the FMCA Rally in Perry, Georgia. They had help from other members at the rally, but it took hours of planning and a lot of work. Please check out the photos on our web site at www.acc-fmca.com.

And, this brings me to some exciting news. Ray Shea was elected president of the Southeast Chapter of the American Coach Association. Linda Coleman was elected president of Fleetwood Motorhome Association and Wendy Holloway was elected president of Rally in the Pasture, another chapter of FMCA. These are all active members of our American Coach Chapter and we congratulate all of them and we appreciate all they have done for our club.

The downside of this news is that it leaves our chapter with less volunteers. So, if you have a little extra time and would like to help keep our club going strong, please step up and volunteer. Let me or one of our board members know that you are interested. The president's position is also open since I have been here for four years. Our next election will be held at

our pre-rally at Seven Feathers RV Resort and Casino in Canyonville, Oregon.

Being a board member does not mean that you have to attend every rally—we do most of our communicating by phone and email. We have posted the positions and job descriptions for each in this newsletter.

As I said, our next pre-rally will be held at the beautiful Seven Feathers RV Resort and Casino. The rally will start on August 7th and end Monday, August 11th when, if you wish, there will be a caravan to the FMCA Rally in Redmond, Oregon. Check out the resort at www.sevenfeathers.com.

Randy and his crew will be at our rally to work on your coach. We have a golf outing planned and you can visit the nearby Wildlife Safari Animal Reserve, take a wine tour, try your luck at the casino or just relax with friends.

If you have anything you would like printed in our newsletter, send it in and we will be happy to include it. Just send it to me at lpettinger@aol.com. This is your club and we want to hear from you.

Treasurer's Report

The current balance in the checking account as of 4/24/14 is \$9,278.23.

The current balance in the 11 Mo Risk Fee CD as of 4/24/14 is \$14,213.15.

We have 270 members total and 37 of these members are delinquent in their dues. We're working on getting them to renew.

A few reminders....

American Coach Chapter (ACC) membership dues expire December 31st of every year; Even if you pay multiple years, it will always be December 31st. It's more cost effective to pay multiple years.

If you or anyone you know needs to make changes to their names, mailing addresses, email addresses, or phone numbers, PLEASE email or call your ACC membership contact person so we can keep our website up to date.

About 60 % of all ACC members use PayPal to pay their dues and update their contact information. Our Website requires you fill in your contact information. The other 40% of you write checks for your dues and we never get any updated contact information on you. Often

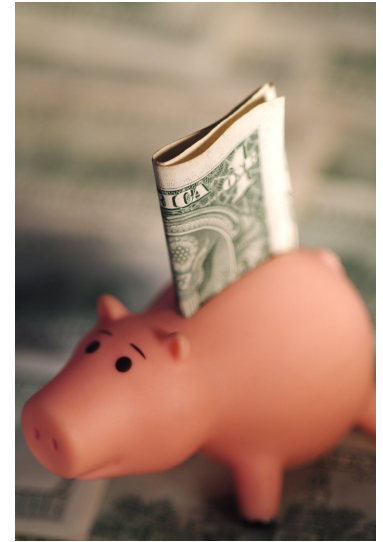

times you have new cell phone numbers, email addresses, etc and that info is not on your check. PLEASE take the time to supply us with ALL correct contact info. The information on the ACC website is only as good as what you provide us.

Folks sell their motor homes for one reason or another or pass on and nobody notifies us. We find out later on after making phone calls or getting undeliverable mail returned. We would appreciate your assistance in this matter.

For various reasons our membership has been declining over the past few years. If any of you have any suggestion to increase membership, helpful rally tips, etc., feel free to contact your ACC Board of Directors by phone, email or mail. We would appreciate hearing input from our members.

Travel Safe,

Final Journey

It is with great sadness that I have to announce the passing of two of our members:

Ken Adams passed away, leaving a loving wife Jackie. Ken was Past President of American Coach Chapter of FMCA and also Treasurer and Membership Chair. He gave me a lot of help and advice when I was Membership Chair and also in my current position.

George Dorris attended many ACC Rallies and was always available to help when needed. He leaves behind a beautiful daughter, Linda and a legacy of close friends, family, and art work from his personal sign projects.

Reinhard Matzick who was a long time member of American

Coach. He is survived by his loving wife, Carolyn...you could always tell when Reinhard arrived at an ACC PreRally with that beautiful Red American Coach.

We will miss them.

Our thoughts and prayers go out to their families.

Vidalia Onions Released April 21st!

Vidalia Onions, the sweetest onions in America, are the only onions in the United States to have their own designated growing area (in Georgia) and their own release date.

I have been making this onion pie for over 15 years and I buy the first Vidalia Onions just for this.

Deep-Dish Vidalia Onion Pie

Crust

1 envelope active dry yeast
1/4 cup luke-warm water
1/4 tsp sugar
1/3 cup milk
2 Tbsp unsalted butter
1 tsp salt
1/2 tsp caraway seeds
About 2 1/2 cups all-purpose flour

Filling

2 Tbsp unsalted butter
4 medium-large Vidalia Onions, cut in to 1/2 inch dice (about 3 cups)
1 1/2 Tbsp all-purpose flour
1/4 cup milk
1/4 tsp salt
8 oz cottage cheese
3 eggs

Make the crust:

1. In a small bowl, dissolve the yeast in the water with the sugar. Let proof until foamy.
2. In a small saucepan, heat the milk butter salt and caraway, stirring until the butter almost melts.
3. Pour the liquid into a large bowl. Stir in 3/4 cups flour, then the yeast mixture. Stir in 1 cup more flour, then knead in however much

more flour is needed to make a soft dough. Turn the dough out on a floured surface and knead until it is medium-firm, smooth and no longer sticky, adding flour as needed.

4. Place dough in a buttered bowl and let rise in a warm place until doubled in bulk, about 1 hour.

Meanwhile make the filling:

1. In a large heavy skillet, melt the butter over low heat. Add the onions and cook, stirring frequently, until the onions are golden and soft (do not brown the onions).
2. Add the flour and cook for 2 minutes. Add the milk and salt, increase the heat to medium and stir until the mixture is thick and pasty.
3. Blend together the cottage cheese and eggs. Stir in the onions and season to taste with salt.
4. Preheat the oven to 375. On a lightly floured surface, roll out the dough to form a rectangle slightly larger than the baking dish. Butter the dish and press in the dough to extend about 3/4 up the sides. Pour in the onion filling.
5. Bake in the center of the oven for 45 minutes or until the crust is nicely browned and the filling is golden brown. Let cool in the pan for 15 minutes, then gently lift out the pie and let cool on a rack before cutting into serving pieces.

The International Traveler

From FMCA

Don't trust over-the-counter drugs. *They are like a box of choco-lates. You never know what you are going to get.* Carry these basic over-the-counter drugs: antacids, anti-diarrheal, sunscreen, cough and cold medicine, hydrocortisone cream, motion sickness, antihistamines and insect repellent.

If you are going to a sunny locale, ask your doctor if any of your prescriptions cause sensitivity to the sun. Many of them do!

Create a simple medical information form to carry with you. It should contain your name, address, phone, friends and relatives to contact in an emergency, personal physician, dentist, current medications, known food and drug allergies and full information on medical insurance.

Ask friends who have recently visited your destination what they wished they had taken with them. Facebook or Instagram is a good place to do this.

Know that Medicare will not cover you outside of the U.S., Canada or Mexico. And, Medicare will only pay to get you to the nearest hospital, regardless of how inadequate that hospital may be—Anywhere else will be at your expense.

Take along more prescription medication than will be needed. An extra week's supply is a good rule.

Ask your doctor for duplicate prescriptions in case your pills are lost or stolen.

Put pills in your carry-on—not your checked luggage.

Adjust your schedule of prescriptions to account for time zones. A second watch with local time might help.

If you are susceptible to motion sickness, the best location on a ship is mid-ship and the best in an aircraft is over the wing.

The seven top triggers of diarrhea are custards, pastries and desserts, raw vegetables, raw eggs, and unpasteurized cheeses, tap water and ice cubes made of tap water, leafy green vegetables, raw shellfish, and raw meat.

The best medicine for traveler's diarrhea is Imodium AD.

Shake your sunscreen well as the ingredients are suspended in a neutral lotion.

The strongest sunscreens are made with either Americaine or Dermoplast.

Apply meat tenderizer to bee and bug bite to reduce the pain and swelling.

Avoid sunstroke and dehydration by eating bananas, tomatoes and oranges, which are all rich in electrolytes in addition to plenty of water.

Never wear new shoes when sight-seeing. It's a sure way to get blisters.

If you take nitro for your heart, make sure your pills are fresh—they lose potency over time.

If you take insulin, carry a prescription for your syringes. Many states and countries will not sell them over the counter.

Follow these tip and have a safe trip!

American Coach Service Request

Fleetwood RV is offering to perform minor warranty repairs on your Limited, American Eagle, American Dream, American Tradition, American Allegiance, American Revolution or American Heritage motor home. Time available and the number of coaches in attendance will determine how much service work can be performed at the rally. Please check in with the service representative scheduler upon arrival. He may need to coordinate your appearance while service is performed.

Please limit problems to two American Coach items and one Spartan item per coach (functional items only). Non-functional items and painting will not be addressed at rallies. This is a long-standing policy of the service facility. Additional items will be on a time-permitted basis.

Please explain each item in detail so we can determine whether parts are needed.

Submit this list promptly. Fleetwood must have your request at least two weeks before the rally in order to obtain parts and transport them to the rally.

Repairs will be scheduled in the order that they are received.

Add-on items will be scheduled as time permits.

When requesting chassis repairs, please note your coach type of chassis. Some chassis repairs cannot be addressed at the rally and some chassis repairs may be subject to charges to the customer.

Note: Coaches not registered, as part of the rally will not be worked upon until all rally registered coaches have been serviced.

Here are some of the changes:

- Parts and labor will be provided at no charge for in-warranty repairs. Labor will be provided at no charge for out of warranty repairs and owner will be notified of charges for parts.
- Because we are not equipped with required fall-protection at rallies, no Fleetwood associate will be allowed to get on top of a motor home roof at any time.
- No Fleetwood associate will be allowed to work under a unit at a rally.
- Repairs requiring lifting/jacking of motor home will not be performed at a rally.
- Certain repairs of doors or windows or windshields cannot be performed at a rally.
- Awning tension adjustments must be done by the awning manufacturer. This includes the replacement of awning fabric.

Chassis repairs must be done by the chassis manufacturer.

As has always been our policy, the following are some other items we cannot address at rallies:

- Paint body repairs
- Installing accessories
- Cosmetic/Appearance repairs
- Water filters and maintenance services

Please remember that not every problem can be resolved at the Rally. Should additional work be required at a shop facility, the Service Department will assist you in determining your needs and schedule.

Fax the repair request form to: 260-728-2951 or mail to the address on the request sheet.

FAQS about ACC

Q. What is the difference between the ACC (American Coach Chapter of FMCA) and ACA (American Coach Association)?

A. All members are owners of American Coach motor homes. The ACC is a chapter of FMCA (Family Motor Coach Association) and you must be a member of FMCA. The ACC has two pre-rallies a year so they may caravan and park together at the FMCA International conventions. Members of ACA do not need to belong to FMCA and are independent from any other membership group. ACA has two national rallies a year and has eleven regional chapters.

Q. Can I be a member of both ACC and ACA?

A. Yes, most American Coach owners are members of both organizations.

Q. Why do I have to be a member of FMCA in order to join the ACC?

A. FMCA by-laws require that members of a chapter also belong to the national association.

Q. What are ACC's roots?

A. The ACC was started by ACA members that wanted to park together at FMCA events and had their first rally in Gatlinburg, TN in 1993.

Q. Are the officers in ACC paid?

A. No, they are volunteers and only out-of-pocket expenses are paid.

Q. Do I have to be an original owner to have the American Coach service team work on my coach at the rallies?

A. No, qualifying service is available to all American Coach owners attending a participating rally.

American Coach Chapter of FMCA consists of members that are owners of an American Coach including American Heritage, American Eagle, American Dream, American Tradition, American Revolution and Limited Motor Homes.

We are the only American Coach chapter of FMCA and provide our members with camaraderie with other American Coach owners. Our primary goals are to foster good relations with the American Coach manufacturing and servicing facility. We bring its management, their technicians and coach owners together.

We meet once or twice a year, immediately preceding each of the FMCA Family Reunions & Motorhome Showcases. There may be a golf tournament, a tour of nearby points of interest, cocktail hours, dinners, pizza nights and more. The American Coach Service Team joins us at our rallies to perform repairs on our coaches. One or more American Coach dealers also join us to display the latest coaches, hopefully sell a few, and participate in the rallies.

We print a newsletter at least twice a year with the upcoming rally information and highlights of our previous rallies. This newsletter is also available online. Once you are a member of ACC, you will be able to join the American Coach Yahoo group where you will find valuable information about your coach and be able to ask questions about your coach. This is a fun group of American Coach owners and you will be glad you joined us.
