

# THE AMERICAN WAY

CHAPTER OF FMCA

June, 2012

## *Little Farm on the River or BUST!*

By Leslie Pettinger, President

Spring is almost gone and we are ready for summer to finally arrive. Mike and I just got back from a Hawaiian cruise with my sisters. We had a good time, but we would rather be in the RV where I don't have to stress about what to pack, or dress up for dinner and we can bring our pet with us! I guess we are just spoiled.

Mike and I will be arriving at *Little Farm on the River* at least a week before the ACC Pre-Rally begins so that we can park by the River and enjoy the area. You are all welcome to do the same!! We would love to visit and you might get to know

some of the other American Coach owners. Spaces are limited, so sign up early.

Ray and Pauline Shea have been working for months on this one and only rally... so if you are on the fence and trying to decide if you should make the trip or not... JUST

## President's Message, cont.

DO IT!! Randy and his crew will be there. If you plan on going to FMCA after our pre-rally, you can join our caravan. Remember, you will be close to Decatur so if you need service, you can visit Camp Decatur either before or after the rally.

We have added a "Golf Day" to our agenda for the pre-rally! We will have more details soon. The Ladies Luncheon will be at a haunted mansion; you won't want to miss this one. There is a casino within a mile of the resort and they provide a shuttle to take you back and forth.

If you have some ideas for your favorite games, activities, trips, please let Ray know and we will do what ever we can to add it to the agenda. This is YOUR Rally and we are hoping for a great turn-out this year.

Just a reminder: go to [www.facebook.com](http://www.facebook.com), type in American Coach Chapter of the FMCA in the top search line and when it comes up, please hit "like" and you can keep up with any new information regarding our club.

This will be our first newsletter to be emailed out. I'll give a report and let you know how it goes. I'm going to try and email our members next month and see if you like that method of communication as well. We will be looking for your feedback.

Our website:

[WWW.ACC-FMCA.COM](http://WWW.ACC-FMCA.COM)

You can sign up for the ACC Pre Rally at our website and you can even use your pay-pal account. You can also send in your repair list to Randy

VIA the internet, all from one location.

Mike and I are very excited to see our old and new friends at our next rally. We will be coming from California, so any of you members that are close by, please join us and take advantage of all the benefits of belonging to American Coach Chapter of the FMCA.

You can check out the rally location website at: [www.littlefarmresort.com](http://www.littlefarmresort.com) for directions and additional information about the resort.

Don't forget that this is an election year for our club. If you are interested in holding a positions there are openings for President, Vice President, Secretary, Membership Chair, and Treasurer Eastern, Central and Western Directors.

These are volunteer positions. Please call a member of the nominating committee if you are interested:

Bob Gay: 785-633-3008

Pauline Shea: 570-772-0640

Danny Jones (919-270-5492)

Feel free to call or email me if you have any questions or concerns.

Safe travels and God bless our troops. Shall we gather at the river? Yes!

## Ideas to Make Life Easier

Why didn't I think of that?! We guarantee you'll be uttering those words more than once at these ingenious little tips, tricks and ideas that solve everyday problems.

Rubbing a walnut over scratches in your furniture will disguise dings and scrapes.

Remove crayon masterpieces from your TV or computer screen with WD40.

Stop apples wedges from browning by putting the cut apple back together and securing with a rubber band.

Store bed linen sets inside one of their own pillowcases and there will be no more hunting through piles for a match.

Reuse a wet-wipes container to store plastic bags.

After a day at the beach, use baby powder to easily remove the sand off your skin.

Find tiny lost items like earrings by putting a stocking over the vacuum hose.

Use a magnetic strip inside the bathroom cabinet to store bobby pins,

tweezers and nail clipper.

When packing your suitcase, store shoes inside a shower cap (like the ones you get at hotels) to stop dirty soles rubbing on your clothes.

A muffin pan becomes a craft caddy. Place magnets inside a plastic cup, place the cups in the muffin pan and the magnets hold the plastic cups down to make them tip-resistant.

Bread tags make the perfect cord labels. Mark the tag with a permanent marker and find the right cord quickly.

Bake cupcakes directly in ice-cream cones; it's less messy and more fun to eat.

Microwave your own popcorn in a plain brown paper bag. It's much healthier and cheaper than the packets.

Turn your muffin pan upside down, bake cookie-dough over the top and voila, you have cookie bowls for fruit or ice-cream.

Freeze Aloe Vera in ice-cube trays for soothing sunburn relief.

## Escaping a Fire in Your RV

By “Mac the Fire Guy” McCoy  
Recently, an RV fire took the lives of John and Sue Thomas, long-time American Coach owners. The fire started from a front right tire blow-out and they were forced to the rear of their coach. We will never know why they couldn't escape the fire, but maybe this would be a good time to practice your egress in case of an emergency.

As many of you know, I am a fire safety instructor at FMCA rallies. We just finished the Great Lakes regional rally and while there, Jane and Jerry Lihou and myself made a video showing how to get out of your coach using the emergency window. You can view this video at <http://www.youtube.com/watch?v=X-or4RMunZU&feature=youtu.be>

It is important that everyone who stays with you in your coach, including your grandchildren, needs to know how to get out in case of a fire.

The first thing you need to do is stand outside your window and see how high it is. How far can you expect to fall. For practice purposes,

you might push the RV park's picnic table under the window.

Next, open your emergency window. This was difficult for Jane and Jerry as they had never opened the fire scape window and it was stuck shut. After much pushing and prodding, it finally came open. They sprayed the rubber trim with *The Solution*, a simple dry wash containing polymer wax, detergent and UV Protectant. You can also use 303 Lubricant. This will make it open easily and you will want to do this a couple times every year.

The emergency window in their American Coach is very large and very heavy. You will want to have a dowel stashed nearby to hold the window open. You can make one or order a “Macadoodle” from my company (soon to be on the web site at [www.macthefireguy.com](http://www.macthefireguy.com)). It would be very difficult to slide through the window space with the weight of a heavy window hanging on top of you.

The window sills are metal so throw a blanket over the edge, corner to corner, and use it for padding on the way out. The stronger person can hold one end of the blanket, letting the other

*“Going out the window  
will not be easy  
because we tend to  
lose upper body  
strength as we age, but  
it helps to practice at  
least once.”*

er use it to slide down. This blanket will also come in handy to cover up if it is cold or you are under-dressed.

Going out the window will not be easy because we tend to lose upper body strength as we age. As Jane said, “once my butt was past the sill, the rest of my body just went with it.” She looked at the bruises on her arms as the cost of knowing they will be able to get out when the time comes.

It is a good idea, if you are parked along side the highway, to throw a flare out the window and a few feet away from the coach, so cars and trucks will drive around you and you won’t get run over while escaping. These flares are small and won’t take up much room next to the bed. How much preparation you can do will depend on the situation. You may not have time to throw out a flare or even a blanket, but having a solid fire escape plan may help you replace panic with logical, life-saving actions if a fire occurs.

Mac McCoy served 33 years in the fire service.

He holds a BS degree in Fire Science and a Masters degree in Fire Administration.

Mac has served as a firefighter, paramedic, Captain, Assistant Chief of Training, Deputy Sheriff, and for 12 years as the Fire Training Coordinator of Oregon's Fire Marshall's Office and

Public Safety Academy. During his tenure with Oregon Fire Marshall's Office, Mac helped pioneer the states HAZMAT program.

Mac has taught civilians, military, firefighters and law enforcement fire-fighting skills and techniques in the United States and abroad.

## Easy Peasy Summer Recipes

By Jane Lihou

### Cabbage, Pea and Rice Soup

4 Tbsp butter  
1 cup finely minced yellow onion  
1/2 large head Savoy cabbage, core removed and thinly sliced  
Salt and pepper  
2 quarts chicken broth  
1 cup Arborio rice  
2 lb fresh peas, shelled or 1 1/2 cup frozen peas, thawed  
Freshly grated parmesan cheese

Heat the butter over medium heat. Add the onion and cook, stirring, until it is soft but not brown. Add the cabbage and season lightly with salt and generously with pepper, and stir for a few minutes. Add 1 cup of the broth, cover and reduce the heat to low. Let the cabbage stew slowly, stirring occasionally, until it is completely soft and almost wilted, about 15 minutes.

Add the remaining broth and bring to a gentle boil over medium heat. Add the rice and, if using fresh peas add them at this point. Reduce the heat to medium low and cook uncovered until rice is tender but still firm to the bite. If using frozen peas, add them at this point.

Let the soup rest for a few minutes and add more salt and pepper to taste. Serve with a generous sprinkle of freshly grated parmesan cheese.

### Fettuccine with Mortadella, Peas and Mushrooms

1 cup cooked fresh peas or frozen green peas  
1/4 cup extra virgin olive oil  
6 oz mortadella, thickly sliced and cut into 1/4 inch wide strips  
1 cup heavy cream or for a lighter version, mix 1/2 cup heavy cream with 1/2 cup chicken stock  
Salt and freshly ground pepper to taste

1 Tbsp butter  
Fettuccine for 4 servings  
1/2 cup freshly grated parmesan cheese

Heat the olive oil over high heat. Add the mushrooms and cook, stirring, until they are golden brown. Reduce the heat to medium and add the mortadella and peas and stir a few times. Add the cream and season with salt and pepper. Cook, stirring from time to time until the liquid is reduced by half. Stir the butter into the sauce and turn the heat off.

Meanwhile, cook the pasta in a large pot of salted boiling water until pasta is tender but firm to the bite. Reserve 1 cup pasta water.

Drain the pasta and add it to the sauce. Add half of the parmesan cheese and toss well until the creamy sauce clings to the pasta. Add some reserved pasta water if the sauce seems too thick. Serve with additional cheese.

*“Fresh spring peas are the inspiration but frozen peas taste just as good.*

*Both of these recipes come from my favorite Italian cookbook, Biba*

*Caggiano’s Italy al Dente.”*

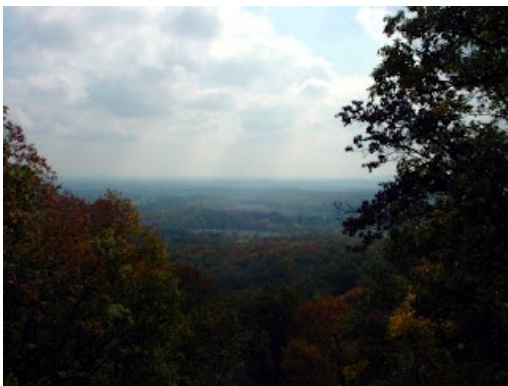

## On Your Way to the ACC Pre-rally

### Sand and Solitude

Indiana Dunes National Lakeshore hugs 15 miles of the southern shore of Lake Michigan and has much to offer. Whether you enjoy scouting for rare species of birds or flying kites on the sandy beach, the national lakeshore's 15,000 acres will continually enchant you. Hikers will enjoy 45 miles of trails over rugged dunes, mysterious wetlands, sunny prairies, meandering rivers, and peaceful forests.

### Hiking and Biking

Jackson-Washington State Forest offers a playground area, hiking, biking, fishing, horseback riding, hunting, archery range and shaded and lakeside camping sites. Scenic Skyline

Drive is nearby and offers breathtaking views. Great for a weekend camping trip, a hike through the woods or a day of letting the kids enjoy nature.

### History

Indiana has a rich history of Underground Railroad operations. Many escaped slaves traveled across the Hoosier State in the years prior to and during the Civil War. These fugitive men and women frequently altered their routes and the locations of their stops in order to minimize their chances of detection and possible recapture. These constant changes made details about the operation of the Underground Railroad difficult to document, both then and now. Historians, using a wide variety of primary and secondary sources, have successfully located several locations that assisted fugitive slaves to freedom.

American Coach Chapter of FMCA  
Little Farm on the River, Rising Sun, Indiana  
American Coach Service Request

Fleetwood RV is offering to perform minor warranty repairs on your Limited, American Eagle, American Dream, American Tradition, American Allegiance, American Revolution or American Heritage motor home. Time available and the number of coaches in attendance will determine how much service work can be performed at the rally. Please check in with the service representative scheduler upon arrival. He may need to coordinate your appearance while service is performed.

Please limit problems to two American Coach items and one Spartan item per coach (functional items only). Non-functional items and painting will not be addressed at rallies. This is a long-standing policy of the service facility. Additional items will be on a time-permitted basis.

Please explain each item in detail so we can determine whether parts are needed.

Submit this list promptly. Fleetwood must have your request at least two weeks before the rally in order to obtain parts and transport them to the rally.

Repairs will be scheduled in the order that they are received.

Add-on items will be scheduled as time permits.

When requesting chassis repairs, please note your coach type of chassis. Some chassis repairs cannot be addressed at the rally and some chassis repairs may be subject to charges to the customer.

Note: Coaches not registered, as part of the rally will not be worked upon until all rally registered coaches have been serviced.

**Here are some of the changes:**

- Parts and labor will be provided at no charge for in-warranty repairs. Labor will be provided at no charge for out of warranty repairs and owner will be notified of charges for parts.
- Because we are not equipped with required fall-protection at rallies, no Fleetwood associate will be allowed to get on top of a motor home roof at any time.
- No Fleetwood associate will be allowed to work under a unit at a rally.
- Repairs requiring lifting/jacking of motor home will not be performed at a rally.
- Certain repairs of doors or windows or windshields cannot be performed at a rally.
- Awning tension adjustments must be done by the awning manufacturer. This includes the replacement of awning fabric.

Chassis repairs must be done by the chassis manufacturer.

**As has always been our policy, the following are some other items we cannot address at rallies:**

- Paint body repairs
- Installing accessories
- Cosmetic/Appearance repairs
- Water filters and maintenance services

*Please remember that not every problem can be resolved at the Rally. Should additional work be required at a shop facility, the Service Department will assist you in determining your needs and schedule.*

Fax the repair request form to: 260-728-2951 or mail to the address on the request sheet.

## Become a Part of Something Fun!

### FAQS about ACC

**Q.** What is the difference between the ACC (American Coach Chapter of FMCA) and ACA (American Coach Association)?

**A.** All members are owners of American Coach motor homes. The ACC is a chapter of FMCA (Family Motor Coach Association) and you must be a member of FMCA. The ACC has two pre-rallies a year so they may caravan and park together at the FMCA International conventions. Members of ACA do not need to belong to FMCA and are independent from any other membership group. ACA has two national rallies a year and has eleven regional chapters.

**Q.** Can I be a member of both ACC and ACA?

**A.** Yes, most American Coach owners are members of both organizations.

**Q.** Why do I have to be a member of FMCA in order to join the ACC?

**A.** FMCA by-laws require that members of a chapter also belong to the national association.

**Q.** What are ACC's roots?

**A.** The ACC was started by ACA members that wanted to park together at FMCA events and had their first rally in Gatlinburg, TN in 1993.

**Q.** Are the officers in ACC paid?

**A.** No, they are volunteers and only out-of-pocket expenses are paid.

**Q.** Do I have to be an original owner to have the American Coach service team work on my coach at the rallies?

**A.** No, qualifying service is available to all American Coach owners attending a participating rally.

**American Coach Chapter of FMCA** consists of members that are owners of an American Coach including American Heritage, American Eagle, American Dream, American Tradition, American Revolution and Limited Motor Homes.

We are the only American Coach chapter of FMCA and provide our members with camaraderie with other American Coach owners. Our primary goals are to foster good relations with the American Coach manufacturing and servicing facility. We bring its management, their technicians and coach owners together.

We meet once or twice a year, immediately preceding each of the FMCA Family Reunions & Motorhome Showcases. There may be a golf tournament, a tour of nearby points of interest, cocktail hours, dinners, pizza nights and more. The American Coach Service Team joins us at our rallies to perform repairs on our coaches. One or more American Coach dealers also join us to display the latest coaches, hopefully sell a few, and participate in the rallies.

We print a newsletter at least twice a year with the upcoming rally information and highlights of our previous rallies. This newsletter is also available online. Once you are a member of ACC, you will be able to join the American Coach Yahoo group where you will find valuable information about your coach and be able to ask questions about your coach. This is a fun group of American Coach owners and you will be glad you joined us.
