

CHAPTER OF FMCA

VOLUME 18, ISSUE 3, DECEMBER, 2011

President's Message

Where did the year go? Can you believe that Christmas is almost here?

It's been a great year for us and one of our most memorable times was the ACC pre-rally at the Amana Colonies in Iowa. Our hosts, Bob and Diana Gay did a wonderful job of planning this rally. They worked tirelessly, making sure each day's events were fun for everyone. Amana Colonies was a great location even though it was pretty hot. Mike and I have never eaten such good, fresh-picked corn.

The RV Park provided a guest speaker who talked about the history of Amana Colonies. Chris Carter attended and informed us about what was going on behind the scenes at Fleetwood. We had one beautiful, shiny show coach, and rumor has it that

one of our members ordered a brand new coach with a spacious walk-in closet.

ACC Pre-Rally at Little Farm on the River

By Ray Shea, Eastern Area Director

We had a wonderful time at Amana and the FMCA convention in Madison. A big "Thank You!" goes out to Bob and Diana Gay for all their hard work. Thanks also to Erv and Dorothy Bretz for all their support of our informative happy hours at Madison.

Pauline and I are the Rally Masters for the 2012 Rally. We know everyone is busy and we are trying to provide adequate time to plan on attending.

Little Farm on the River in Rising Sun, Indiana will be the site of our 2012 Pre-Rally. Little Farm has a unique layout with campsites available

Cont. on page 5

President's Message, cont.

Erv Bretz held a seminar on Ipads, and Chip Aiken taught us all about tire pressure monitor systems and what to do in a tire emergency. Our entertainment one night was a trip to the theater Amana Colonies R.V. Park to see "Suds", a fun play with a musical cast right out of the 60's.

The meals were catered by a local chef, with authentic entrees prepared right at Amana Colonies. Amana Colonies has wineries, antique shops, gourmet restaurants and unique shopping opportunities. We even played bingo one night after celebrating Bob Gay's surprise birthday party. Thank you to all those members who attended and all those that did so much work behind the scenes to make it an enjoyable rally. Will we ever forget Blake Symons running around without a golf cart getting the coaches lined up on departure day for the caravan to Madison, Wisconsin?

Please mark your calendars for our one and only ACC Pre-rally next year. It will be on August 21-25, 2012 and Pauline and Ray Shea have found a great location with lots of things to do. Is it true that the Ladies Luncheon will be held at a haunted mansion? Sign up and find out for yourself.

If you are planning on going to Decatur next year... make your appointment either before or after the rally so you can have at least some of the items fixed by Randy and his crew while enjoying the activities that we have planned at Little Farm on the River.

Thank you...

American Coach Owners,

My family and I would like to thank all of you, for your love and prayers for us during our recent tragic loss. Our step-granddaughter Kristen and her 10 month old son Xander were killed in an automobile/train accident on September 3rd.

Thanks to each of you for the cards, messages and prayers. Our faith in

God has helped our family through this difficult time.

Thank-you all, and may God bless you.

Final Journey

Joan Howeth passed away in July of this year on a tragic rafting accident in Colorado. Joan was such a helpful, giving, cheerful volunteer at our ACC Rallies. Joan and Alan were married 42 years.

Earlene Alves passed away in August after a serious illness of almost a year. Earlene and Frank were married for over 49 years.

Just like Joan Howeth, Earlene was always there to lend a helping hand and played a mean game of Mexican Train.

Jim Annan passed away this October. Ruth and Jim were married for over 65 years. They traveled extensively in their American Coach. Mike and I couldn't wait to get their infor-

mational travel-log after each trip that they so faithfully shared with all their friends.

Our deepest sympathies go out to the Howeth, Alves and Annan families.

We will all miss our ACC friends and their beautiful smiles.

Two Easy and Healthy Soups for a Cool Evening

I had this soup at the Getty Museum and it was so good. When the L.A. Times published the recipe, I started making it at home.

Getty's Tomato Florentine Soup

1 Tbsp olive oil
1 small onion, diced
1 carrot, diced
1 stalk celery, diced
1 clove garlic, minced
8 cups water
1 6 oz. can tomato paste
4 tomatoes, diced
1 14 oz. can tomato puree
1 bunch basil, chopped
1 lb fresh spinach, chopped

Salt, pepper

Heat oil in a large soup pot over medium heat. Add onion, carrot, celery and garlic and sauté until vegetables are soft.

Add water, tomato paste, tomatoes and tomato puree and bring to a boil. Reduce heat and simmer for 30 minutes. Cool and puree in the blender, in batches.

Return soup to pot and add basil and spinach leaves. Cook until tender. Salt and pepper to taste.

This is a little more work but, if you like parsnips, you'll love this soup.

Cream of Parsnip Soup

2 pounds parsnips
2 Tbsp. butter
1 medium onion, diced
1 carrot, peeled and chopped
Salt, pepper
1 potato, peeled and cubed
1/2 cup white wine

2 cups chicken or vegetable broth

4 cups water

1 bay leaf

1/2 tsp. nutmeg

2 egg yolks

1/4 cup heavy cream

Crisp fried pancetta or bacon for garnish

Lightly peel the parsnips and, using the peeler, shave until you reach the woody core. Discard the core and set the shaved parsnips aside.

Melt the butter in a large soup pot and add the onion, carrot and 1 Tbsp. salt. Cover and cook until vegetables are soft.

Add the shaved parsnips and potato and cook until softened. Add the wine and cover and cook over low heat for 20 minutes.

Add the broth, water, bay leaf, nutmeg and a good grating of black pepper. Cover and simmer until vegetables are very soft.

Discard the bay leaf and cool the mixture before blending it until smooth.

Return the soup to the sauce pan and bring to a simmer.

In a small bowl whisk together the egg yolks and cream. Spoon 1/2 cup soup into the mixture to temper the yolks. Slowly whisk the cream and egg mixture into the soup and continue to cook, without boiling, until the soup has thickened slightly.

Garnish with crisp pancetta or bacon or fried shallots if you keeping it vegetarian.

American Coach Service Request

Fleetwood RV is offering to perform minor warranty repairs on your Limited, American Eagle, American Dream, American Tradition, American Allegiance, American Revolution or American Heritage motor home. Time available and the number of coaches in attendance will determine how much service work can be performed at the rally. Please check in with the service representative scheduler upon arrival. He may need to coordinate your appearance while service is performed.

Please limit problems to two American Coach items and one Spartan item per coach (functional items only). Non-functional items and painting will not be addressed at rallies. This is a long-standing policy of the service facility. Additional items will be on a time-permitted basis.

Please explain each item in detail so we can determine whether parts are needed.

Submit this list promptly. Fleetwood must have your request at least two weeks before the rally in order to obtain parts and transport them to the rally.

Repairs will be scheduled in the order that they are received.

Add-on items will be scheduled as time permits.

When requesting chassis repairs, please note your coach type of chassis. Some chassis repairs cannot be addressed at the rally and some chassis repairs may be subject to charges to the customer.

Note: Coaches not registered, as part of the rally will not be worked upon until all rally registered coaches have been serviced.

Here are some of the changes:

- Parts and labor will be provided at no charge for in-warranty repairs. Labor will be provided at no charge for out of warranty repairs and owner will be notified of charges for parts.
- Because we are not equipped with required fall-protection at rallies, no Fleetwood associate will be allowed to get on top of a motor home roof at any time.
- No Fleetwood associate will be allowed to work under a unit at a rally.
- Repairs requiring lifting/jacking of motor home will not be performed at a rally.
- Certain repairs of doors or windows or windshields cannot be performed at a rally.
- Awning tension adjustments must be done by the awning manufacturer. This includes the replacement of awning fabric.

Chassis repairs must be done by the chassis manufacturer.

As has always been our policy, the following are some other items we cannot address at rallies:

- Paint body repairs
- Installing accessories
- Cosmetic/Appearance repairs
- Water filters and maintenance services

Please remember that not every problem can be resolved at the Rally. Should additional work be required at a shop facility, the Service Department will assist you in determining your needs and schedule.

Fax the repair request form to: 260-728-2951 or mail to the address on the request sheet.

FAQS about ACC

Q. What is the difference between the ACC (American Coach Chapter of FMCA) and ACA (American Coach Association)?

A. All members are owners of American Coach motor homes. The ACC is a chapter of FMCA (Family Motor Coach Association) and you must be a member of FMCA. The ACC has two pre-rallies a year so they may caravan and park together at the FMCA International conventions. Members of ACA do not need to belong to FMCA and are independent from any other membership group. ACA has two national rallies a year and has eleven regional chapters.

Q. Can I be a member of both ACC and ACA?

A. Yes, most American Coach owners are members of both organizations.

Q. Why do I have to be a member of FMCA in order to join the ACC?

A. FMCA by-laws require that members of a chapter also belong to the national association.

Q. What are ACC's roots?

A. The ACC was started by ACA members that wanted to park together at FMCA events and had their first rally in Gatlinburg, TN in 1993.

Q. Are the officers in ACC paid?

A. No, they are volunteers and only out-of-pocket expenses are paid.

Q. Do I have to be an original owner to have the American Coach service team work on my coach at the rallies?

A. No, qualifying service is available to all American Coach owners attending a participating rally.

American Coach Chapter of FMCA consists of members that are owners of an American Coach including American Heritage, American Eagle, American Dream, American Tradition, American Revolution and Limited Motor Homes.

We are the only American Coach chapter of FMCA and provide our members with camaraderie with other American Coach owners. Our primary goals are to foster good relations with the American Coach manufacturing and servicing facility. We bring its management, their technicians and coach owners together.

We meet once or twice a year, immediately preceding each of the FMCA Family Reunions & Motorhome Showcases. There may be a golf tournament, a tour of nearby points of interest, cocktail hours, dinners, pizza nights and more. The American Coach Service Team joins us at our rallies to perform repairs on our coaches. One or more American Coach dealers also join us to display the latest coaches, hopefully sell a few, and participate in the rallies.

We print a newsletter at least twice a year with the upcoming rally information and highlights of our previous rallies. This newsletter is also available online. Once you are a member of ACC, you will be able to join the American Coach Yahoo group where you will find valuable information about your coach and be able to ask questions about your coach. This is a fun group of American Coach owners and you will be glad you joined us.
